Guest speaker – Brett Vercoe

“Brett Vercoe lives in the Coffs Coast and was for many years a compliance officer for the Solitary Islands Marine Park Authority (SIMPA). He is an accomplished and highly respected master of both nature stills photography and video documentation. His spear fishing and free diving skills have also enabled him to get ‘close and personal’ to some big ocean creatures - some charismatic, some not so! Brett will share with us some of his highlight experiences in and on the ocean.”

Applications close: **Friday, 20 September 2024**
Successful applicants will be notified by Monday, 23 September 2024
